The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Chelsea's Lofts at the Rockwell in Fiscal Year 2027. The entity to receive funding for this project is the City of Chelsea, located at 305 S. Main Street, Chelsea, MI 48118. The funding would be used for transforming the long-vacant Rockwell Building in Chelsea's Historic Clocktower District into a 50-unit middle-income apartment community, including structural stabilization, environmental remediation, and historic preservation to create high-quality workforce housing.

The project is an appropriate use of taxpayer funds because it will remove longstanding blight, preserve a key historic landmark, expand attainable housing for working households, and strengthen economic activity in Chelsea.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2) and 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Debbie Dingell
Member of Congress
