The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Plymouth's Wilcox Lake Community Connection in Fiscal Year 2027. The entity to receive funding for this project is the City of Plymouth, located at 201 S. Main Street, Plymouth, MI 48170. The funding would be used for constructing a safe, ADA-compliant shared-use pathway that connects neighborhoods, regional trails, parks, schools, and employment centers for pedestrians, cyclists, and other non-motorized users.

The project is an appropriate use of taxpayer funds because it will enhance safety and mobility, promote active transportation, reduce short vehicle trips, and improve connectivity.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Debbie Dingell
Member of Congress
