The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Northville's Center Street & Lexington Boulevard culvert replacements in Fiscal Year 2027. The entity to receive funding for this project is the City of Northville, located at 215 W. Main Street, Northville, MI 48167. The funding would be used for the full replacement of the Center Street culvert and cured-in-place lining of the Lexington Boulevard culvert.

The project is an appropriate use of taxpayer funds because it will replace and rehabilitate critical culvert infrastructure to protect public safety, maintain transportation routes for residents and emergency services, prevent future failures, and support long-term watershed health and regional mobility.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Debbie Dingell
Member of Congress
