The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Great Lakes Water Authority's (GLWA) 42-inch water main replacement and pipeline renewal in Fiscal Year 2027. The entity to receive funding for this project is the Great Lakes Water Authority, located at 735 Randolph Street, Suite 1900, Detroit, MI 48226. The funding would be used for rehabilitating and replacing approximately one mile of the 42-inch transmission main along 14 Mile Road in Oakland County, including carbon fiber lining repairs at seven locations and installation of acoustic fiber optic monitoring to ensure long-term pipeline reliability.

The project is an appropriate use of taxpayer funds because it will restore resiliency and reliability to a critical water transmission main, protecting the water supply for many communities throughout Southeast Michigan and reducing the risk of future service disruptions.

The project has a federal nexus because the funding provided is for purposes described in Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Debbie Dingell
Member of Congress
