The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Ypsilanti Community Utilities Authority's (YCUA) Textile Road Booster Pump Station improvements in Fiscal Year 2027. The entity to receive funding for this project is the Ypsilanti Community Utilities Authority, located at 2777 State Road, Ypsilanti, MI 48198. The funding would be used for replacing outdated mechanical and electrical equipment at the Textile Road Booster Pump Station, including installing new energy-efficient pumps with variable frequency drives, upgrading obsolete controls systems, and adding a permanent backup power source to ensure reliable operations.

The project is an appropriate use of taxpayer funds because it will modernize critical, aging water infrastructure, improve system reliability and energy efficiency, strengthen resilience against service disruptions, and help maintain safe, affordable water service for communities in eastern Washtenaw and western Wayne Counties.

The project has a federal nexus because the funding provided is for purposes described in Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Debbie Dingell
Member of Congress
