The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Grosse Ile Township's water main replacement in Fiscal Year 2027. The entity to receive funding for this project is Grosse Ile Township, located at 9601 Groh Road, Grosse Ile Township, MI 48138. The funding would be used for carrying out capital improvements identified in the Township's Asset Management Plan, prioritizing the replacement of the most critical water mains based on condition, age, material type, flow capacity, and pressure.

The project is an appropriate use of taxpayer funds because it would address aging water mains that can corrode, crack, and allow contaminants to enter the community's water supply.

The project has a federal nexus because the funding provided is for purposes described in Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Debbie Dingell
Member of Congress
