The Honorable Rosa L. DeLauro
Ranking Member
House Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

This letter is requesting funding for the Ann Arbor Fire Station #3 Rebuild Project in Fiscal Year 2026. The entity to receive funding for this project is the City of Ann Arbor located at 301 E. Huron Street, Ann Arbor, MI 48103. Funding for this project would enable the city to make important infrastructure improvements at Fire Station #3, which was originally built in the 60s. In recent years, the station has experienced disruptions in service due to severe weather events and unreliable electrical infrastructure. This is an appropriate use of taxpayer funds because the project would be improving Fire Station #3, which provides important emergency services to downtown areas of the city, especially during large community events.

The project has a federal nexus because the funding provided is for purposes authorized by the Community Development Block Grant (CDBG) program: 42 U.S.C. 5305(a)(4).

This letter certifies that I have no financial interest in this project, and neither does anyone in my immediate family. Thank you for your consideration of this request.

Sincerely,

Debbie Dingell
Member of Congress
