Ranking Member

Dear Chairman Cole and Ranking Member DeLauro:

This letter is requesting funding for the Bridgewater Township Hall Addition Project in fiscal year 2026. The entity to receive funding for this project is Bridgewater Township, located at 10990 Clinton Road, Manchester, Michigan 48158. The funding would allow for a 1600 square foot expansion of the Township Hall, allowing for new conference rooms, restrooms, additional seating, an accessible kitchen, and a lobby that is accessible to all residents. The project is an appropriate use of taxpayer funds because it benefits the entire community by creating a more convenient, inviting, and efficient township hall that will better support community needs and improved use. The project will also strengthen accessibility by addressing ADA access and compliance issues.

The project has a federal nexus because the funding provided is for purposes authorized in Section 306 f the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

This letter certifies that I have no financial interest in this project, and neither does anyone in my immediate family. Thank you for your consideration of this request.

Sincerely,

Debbie Dingell  
Member of Congress
