The Honorable Rosa L. DeLauro
Ranking Member
House Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

This letter is requesting funding for the Canton Township Pedestrian Bridge Crossing project in fiscal year 2025. The entity to receive funding for this project is Canton Township, located at 1150 S. Canton Center Road, Canton, Michigan 48188. Funding would enable the township to create a pedestrian bridge crossing Palmer Road over I-275. This project is an appropriate use of taxpayer funds because it would create a safe pedestrian crossing on a path that is traversed by hundreds of residents to attend school, work, and community activities. Canton residents currently face hazardous walking conditions along this route.

The project has a Federal nexus because the funding provided is for purposes authorized by the Community Development Block Grant (CDBG) program: 42 U.S.C.5305(a)(2).

This letter certifies that I have no financial interest in this project, and neither does anyone in my immediate family. Thank you for your consideration of this request.

Sincerely,

Debbie Dingell
Member of Congress
