Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Upgrades to Grosse Ile Twp Wastewater Treatment Plant in fiscal year 2023. The entity to receive funding for this project is the Township of Grosse Ile, located at 9601 Groh Road, Grosse Ile, MI 48138.

Allocation of these funds will allow for the completion of legally mandated upgrades to the Municipal Wastewater Treatment Plant. The purpose of these upgrades is to increase the capacity of the plant to minimize sanitary sewer overflows to the Detroit River/ Lake Erie. The elimination of these overflows of untreated or partially treated sewer effluent will aid in the improvement of water quality within the Detroit River/Lake Erie watershed.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Debbie Dingell
Member of Congress
