The Honorable Rosa L. DeLauro
Ranking Member
House Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the MITCRA Five Mile Road and Ridge Road Improvements Phase 2 Project in fiscal year 2025. The entity to receive funding for this project is the Michigan International Technology Corridor Redevelopment Authority (MITCRA) located at 44405 Five Mile Road, Northville, Michigan, 48168. The funding would be used to widen Five Mile Road from Ridge Road to Napier Road and complete the reconstruction of Ridge Road from Halyard Road to Five Mile Road to a concrete class A all-season road to serve the redevelopment efforts of MITCA. The project is an appropriate use of taxpayer funds because it will improve the quality and thereby safety of a public road.

The project has a Federal nexus because the funding provided is for purposes authorized by 23.U.S.C. 133(b) (Surface Transportation Block Grant Program).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Debbie Dingell
Member of Congress
