The Honorable Rosa L. DeLauro

House Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

This letter is requesting funding for the Novi Public Safety Program Project in Fiscal Year 2026. The entity to receive funding is the City of Novi located at 45175 W 10 Mile Road, Novi, MI 48375. Funding for this project would enable the city to construct new public safety facilities. Fire Stations #1-3 were built in the late 1970s and early 1980s when the population of Novi was about a third of what it is today. This is an appropriate use of taxpayer funds since it will support the city's ability to invest in the expansion of public safety infrastructure that will protect the safety of the growing community.

The project has a federal nexus because the funding provided is for purposes authorized by the Community Development Block Grant (CDBG) program: 42 U.S.C. 5305(a)(2).

This letter certifies that I have no financial interest in this project, and neither does anyone in my immediate family. Thank you for your consideration of this request.

Sincerely,

Debbie Dingell
Member of Congress
