The Honorable Rosa L. DeLauro  
Ranking Member

Dear Chairman Cole and Ranking Member DeLauro:

This letter is requesting funding for the Saline Community Center Rehabilitation project in fiscal year 2025. The entity to receive funding for this project is the City of Saline, located at 100 N Harris Street, Saline, Michigan 48176. The project would be located at 1866 Woodland Drive E., Saline, Michigan 48176. The funding would enable the city to make important improvements to its multipurpose community center that was built in 1991, including enhancing aquatics, energy efficiency, mobility, accessibility, and inclusivity of the facility. The project is an appropriate use of taxpayer funds because it impacts approximately 41,000 residents and offers community members of all ages and abilities access to specialized programs that improve health and wellbeing.

The project has a federal nexus because the funding provided is for purposes authorized by the Community Development Block Grant (CDBG) program: 42 U.S.C. 5305(a)(4).

This letter certifies that I have no financial interest in this project, and neither does anyone in my immediate family. Thank you for your consideration of this request.

Sincerely,

Debbie Dingell  
Member of Congress
