The Honorable Kay Granger  
Ranking Member  
H-307 The Capitol  
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Technology Skills Development and Career Promise Program in fiscal year 2022. The entity to receive funding for this project is Henry Ford College, located at 5101 Evergreen Road, Dearborn, MI 48128.

The funding would be used towards programming for Preschool through 12th grade and adult education to develop student knowledge and skills in advanced manufacturing linked to industry 4.0 and other industry sectors forecasting high-growth and high-demand occupational outlooks. Each program will be adapted and enhanced, "technologized", interwoven with soft/foundational skills, and developed into online educational resources (OERs) in an open-source platform.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Debbie Dingell  
Member of Congress
