The Honorable Rosa L. DeLauro
Ranking Member
House Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

This letter is requesting funding for the City of Northville High Street Bridge project in fiscal year 2025. The entity to receive funding for this project is the City of Northville located at 215 W. Main Street, Northville, Michigan 48854. The funding would allow the city to replace the compromised culvert that is over 100 years old and supports High Street as it crosses the Randolph Consolidated Drain. This is an appropriate use of taxpayer funds because the investment will improve the safety and use of High Street, which serves as the primary road that emergency vehicles use to assist a senior apartment complex, as well as a middle school with a student body of over 1,000 sixth to eighth graders.

The project has a Federal nexus because the funding provided is for purposes authorized by 23.U.S.C. 133(b) (Surface Transportation Block Grant Program).

This letter certifies that I have no financial interest in this project, and neither does anyone in my immediate family. Thank you for your consideration of this request.

Sincerely,

Debbie Dingell
Member of Congress
