The Honorable Rosa L. DeLauro  
Ranking Member  
House Committee on Appropriations  
1036 Longworth HOB  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

This letter is requesting funding for the City of Trenton Water Main Replacement project in fiscal year 2025. The entity to receive funding for this project is the City of Trenton, located at 2800 Third Street, Trenton, Michigan 48183. Funding for this project would be used for the replacement of over 5,000 feet of water main on West Jefferson Avenue, including lead service lines, and allow for an extension that will loop the system for redundancy. This project is a good use of taxpayer funds because this federal investment would improve water quality and accessibility for the City of Trenton, while significantly preventing contamination.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j12.

This letter certifies that I have no financial interest in this project, and neither does anyone in my immediate family. Thank you for your consideration of this request.

Sincerely,

Debbie Dingell  
Member of Congress
