The Honorable Rosa L. DeLauro
Ranking Member
House Committee on Appropriations

Dear Chairwoman Granger and Ranking Member DeLauro:

This letter is requesting funding for the City of Chelsea's Fire Authority Rebuild project in fiscal year 2024. The entity to receive funding for this project is the City of Chelsea, located at 305 S. Main Street, Suite 100, Chelsea, Michigan 48118. The funding would be used to rebuild the Chelsea Area Fire Authority facility. The project is an appropriate use of taxpayer funds because it will be applied to the construction of a new facility to improve emergency services to the community of over 5,000. The current fire authority building was built in 1963 and is in very poor condition.

The project has a Federal nexus because the funding provided is for purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

This letter certifies that I have no financial interest in this project, and neither does anyone in my immediate family. Thank you for your consideration of this request.

Sincerely,

Debbie Dingell
Member of Congress
