The Honorable Rosa L. DeLauro
Ranking Member
House Committee on Appropriations

Dear Chairwoman Granger and Ranking Member DeLauro:

This letter is requesting funding for the City of Ann Arbor's Roadway Pedestrian Safety Project in fiscal year 2024. The entity to receive funding for this project is the City of Ann Arbor, located at 301 E. Huron St., Ann Arbor, Michigan, 48104. The funding would allow for the City of Ann Arbor to complete an upgrade of pedestrian signals at high volume pedestrian crossings. The project is an appropriate use of taxpayer funds because it will improve safety for all City of Ann Arbor residents and it will increase accessibility for those with visual impairments.

The project has a Federal nexus because the funding provided is for purposes authorized by 23.U.S.C. 133(b) (Surface Transportation Block Grant Program).

This letter certifies that I have no financial interest in this project, and neither does anyone in my immediate family. Thank you for your consideration of this request.

Sincerely,

Debbie Dingell
Member of Congress
