Dear Chairwoman Granger and Ranking Member DeLauro:

This letter is requesting funding for the Township of Canton's Fire Station construction project in fiscal year 2024. The entity to receive funding for this project is the Charter Township of Canton, located at 1150 Canton Center Road, Canton, Michigan 48188. The funding would allow for the Township of Canton to engineer and construct a new fire station. The project is an appropriate use of taxpayer funds because the fire station would assist low to moderate income residents in Canton as it would be located in the lowest income region in Canton Township. Due to its location it would also assist adjacent communities of Wayne, Westland, Inkster, Garden City, Livonia, Van Buren, Belleville and other Western Wayne communities.

The project has a Federal nexus because the funding provided is for purposes authorized by the Community Development Block Grant (CDBG) program: 42 U.S.C.5305(a)(2).

This letter certifies that I have no financial interest in this project, and neither does anyone in my immediate family. Thank you for your consideration of this request.

Sincerely,

Debbie Dingell  
Member of Congress
