Dear Chairwoman Granger and Ranking Member DeLauro:

This letter is requesting funding for the Dexter Community School District's community center project in fiscal year 2024. The entity to receive funding for this project is the Dexter Community School District, located at 2704 Baker Road, Dexter, Michigan, 48130. The funding would allow for the Dexter Community School District to build a multigenerational, multipurpose community and senior center to be utilized by cities and towns in the surrounding area. The project is an appropriate use of taxpayer funds because this federal investment would establish a multigenerational community center will enhance the Greater Dexter Area community and help to attract new residents and businesses for economic growth in the area.

The project has a Federal nexus because the funding provided is for purposes authorized by the Community Development Block Grant (CDBG) program: 42 U.S.C.5305(a)(1).

This letter certifies that I have no financial interest in this project, and neither does anyone in my immediate family. Thank you for your consideration of this request.

Sincerely,

Debbie Dingell  
Member of Congress
