The Honorable Rosa L. DeLauro
Ranking Member
House Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Flat Rock's Vreeland Road Removal and Replacement in fiscal year 2025. The entity to receive funding for this project is the City of Flat Rock located at 25500 Gibraltar Road, Flat Rock, Michigan, 48134. The funding would be used to remove the deteriorated concrete and replace it with 10" thick plain concrete. This is an appropriate use of taxpayer funds because it improves drivability and makes the road safer for community members.

The project has a Federal nexus because the funding provided is for purposes authorized by 23.U.S.C. 133(b) (Surface Transportation Block Grant Program).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Debbie Dingell
Member of Congress
