Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Garrett's Space Residential Center ("Center") in fiscal year 2023. The entity to receive funding for this project is Garrett's Space, located at 1400 Granger Ave., Ann Arbor, MI 48104.

The funding will be used to create a residential center in Southeast Michigan. The Center will be a place where young adult, ages 18 to 28, facing significant mental health challenges can receive crucial support and learn and practice strategies that will help them learn how to live in an increasingly complex and complicated world.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Debbie Dingell
Member of Congress
