Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Public Streets Rehabilitation Project in fiscal year 2023. The entity to receive funding for this project is the City of Rockwood, located at 32409 Fort Road, Rockwood, MI 48173.

The funding for this project supports the removal and replacement of pavement on streets identified as failed or in very poor condition by PASER (Pavement Surface Evaluation and Rating System). The project provides the residents with safer roads and minimizes the long-term maintenance costs of the streets needing repair.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Debbie Dingell
Member of Congress
